COVER ART: UNCONDITIONAL LOVE

by Sahar Fakhoury; oil on canvas, 48” x 36”

Sahar works with oil paint, watercolor, mixed media and clay. Her recent works are inspired by people she encounters on the streets, while traveling or doing their daily chores. Attracted by their body movements and expressions, she creates her own impressions in her compositions. You can find her work at Asheville Gallery of Art and Trakeside Studios.
